Description: Join Sir Cumference, Lady Di of Ameter, and their son Radius for wordplay, puns, and problem solving in this angle-packed math adventure. In the third installment of the beloved Sir Cumference series, Radius must prove himself on his quest for knighthood by rescuing a king. Sent off with the family medallion for luck, Radius dodges dangers and dragons....

Review: This book is adorable! I love how the story was so brilliantly meshed together with medieval life and math. After purchasing, I bought two more of these books. The pages are thick and are full of beautiful color. I think all ages could enjoy the story, but certainly school children, who are actually learning about the subject....
